

# Orderman PX-Series

PX10 and PX15: For successful hospitality professionals

For more information, visit [orderman.com](http://orderman.com),  
or email [sales@orderman.com](mailto:sales@orderman.com).

## Versatility and durability in a compact design

Compact all-in-one POS made from high-quality components

Available in two screen sizes: 10.1" and 15.6"

Integrated signature card reader

Integrated recovery tool for data backup

Adjustable LCD HD display with capacitive touch technology

Up to 6 years Care Gold warranty

Modern interfaces enable easy connection to cash drawers, printers, etc.

## This makes the Orderman PX-Series unique:

The Orderman PX10 and PX15 POS terminals are characterized by their compact, modern design and versatility. Being both slim and durable, the PX-Series is perfectly suited for hospitality or retail businesses requiring a small footprint. Modern interfaces ensure the PX10 and PX15 stay compatible in the future, whilst their solid construction guarantees a long service life. The fanless design and lack of moving parts make the PX-Series well equipped to withstand even the roughest handling.

Featuring the latest processor technology, the Orderman PX10 and PX15 guarantee a smooth workflow with the software of your choice. The capacitive full HD display in a 16:9 format ensures you have enough screen-space to keep an eye on all your most important information.
